

INDEX

- Abrams, Albert, pulmonary atelectasis as a cause of anemia, 187
- Adenoid vegetations in young children, disorders provoked by, Barton, 283
- Adler, Lewis H., Jr., anal fissure, 638
- Adulteration Jaws, 290
- Allen, nitrate of strychnine for inebriety, 59
R. L., how to cure gleet, 665
- Alopecia, Paschkias, 590
- Amaurosis, puerperal, McGillicuddy, 169
- America, will we have cholera in? 114
- Anal fistula, Guyon, 647
fissure, Lewis H. Adler, Jr., 638
abscess, Dujardin-Beaumetz, 647
- Anemia, saline enemata in acute, Neustube, 252
and mountain air, Lancet, 280
lack of hæmatine the cause of, Maurel, 489
- Anæsthetics, bromide of ethyl, Barton, 286
prevention of fatalities in the use of, Kelly, 598
recent physiological and chemical research in, Brixton, 597
- Andrews, E. Wyllys, improved method, etc., for radical cure of hemorrhoids, 631
- Antisepsis, intestinal, Juettner, 619
- Antiseptic, microcidine, Mabboux, 87
paracresotate, of soda, Le Progr. Med., 156
sulphate of zinc as an, in typhoid and cholera, Med. Press, 493
- Apoplexy, heat, hyperpyrexia, death, Williams, 482
- Appendicitis, Browne, 434
- Armand, J. A. de, typhoid fever, 351
- Armstrong, S. T., treatment of hemorrhoids, 635
- Asphyxia by submersion, Brouardel, 284
- Asthma, hay, Tissier, Mackenzie, Leflare, Lemoze, 523
- Astigmatism, corneal, and total subjective, after mydriasis, G. E. de Schweinitz, 558
- Ataxy, first signs of locomotor, Fournier, 365
- Atelectasis, pulmonary, as a cause of anemia, Albert Abrams, 187
- Atkins, Francis H., Las Vegas, N. M., as a health resort for consumptives, 328
- Atmospheric tractor, C. C. Gentry, 643
- Atresia after labor, Petit, 252
- Bacillus tuberculosis, rapid staining of, etc., Letulle, 285
- Bacteria, importance of, Conn, 392
- Bactericidal action of alexin, Hankin, 439
- Baker, Sidney J., Bedford City, Va., 61
- Barkley, D. M., typhoid fever, 447
- Bath, the first, Wolfe, 224
- Batteries, dry-cell, Ernest B. Sangree, 110
again, 226
Blackwood, 194
chloride of silver, S. V. Clevenger, 359
- Bed clothing for the sick, Asclepiad, 440
- Bedford City, Va., Sidney J. Baker, 61
springs, Waugh, 183, 222, 241
- Bidwell, W. Davidson, Aiken, S. C., as a health resort for consumptives, 322
- Bing, E. W., a correction, 198
syncope following local use of cocaine, 381
medical theories, past and present, 378
- Bite of a leopard, Simpson, 122
an adder, Nature, 190
- Blackwell, Dr. Elizabeth, the matriculation of, 445
- Blackwood, W. R. D., dry-cell batteries, 194
reply to Dr. Sangree, 249
injuries from electricity, 292
electricity in gynecology, 215
- Bladder, irritation of, H. B., 60
- Book notices:—
Alcoholism, cause and cure of, 361
Alienist and Neurologist, 500
American Therapist, Aulde, 140
Anatomia Completa del Hombre, Martinez, 460
Annual of the Universal Med. Sciences, Sajous, 12
Atlas of Clinical Medicine, Bramwell, 537
Bandaging, Principles and Practices of, Davis, 360
Cardiac Outlines, Ewart, 82
Cerebral Meningitis, Barr, 12
Darwin and after Darwin, Romaine, 460
Diagnosis of diseases of the nervous system, Herter, 12
Essentials of medicine, Solis-Cohen and Eshner, 380
Dictionary of medicine, a new pronouncing, Keating, 140
Directory, Medical and Dental, for Penna., New Jersey and Delaware, Keil, 460
Dosimetric granules, outlines of treatment with, Waugh, 361

Book Notices:

- Emergencies, hand-book of, Bradford and Lewis, 511
- Gonorrhœa and Urethritis, Lydston, 460
- Higher medical culture, Dunham, 63
